

Halifax
Regional Centre for Education

Hello Families;

September 2022

We would like to invite your child to participate in the Student Support Worker Program (SSW). The Student Support Worker Program provides support to promote the academic success and improved academic and cultural identity of student of African descent.

African Nova Scotian Student Support Workers serve as positive role models and also work collaboratively with administration, teachers, parents/guardians and the community to support students in areas that impact and improve students' educational achievement. The Student Support Worker program is part of the ongoing effort of the school staff to identify and meet your child's needs.

As the SSW my role is to provide support within these key responsibilities:

- Home and School Liaison
- Cultural Identity
- Classroom Support
- Student Advocacy

If you have any questions or would like further information about the SSW program, please do not hesitate to contact me anytime.

Thank you,

Fenton Simmonds
African Nova Scotian Student Support Worker
